experience

NBCUniversal July '17–present
Digital Designer

*Saturday Night Live / Late Night with Seth Meyers /
The Tonight Show Starring Jimmy Fallon*

Creating style guides for clean, cohesive digital experiences across all three Late Night properties. Collaborating with marketing, production, and product teams to create engaging digital content. Managing junior designers and interns by delegating projects and providing feedback.

NBCUniversal June '16–Aug '16
Digital Design Intern

*Saturday Night Live / Late Night with Seth Meyers /
The Tonight Show Starring Jimmy Fallon*

Designed templates for social platforms to create a cohesive digital presence. Worked closely with a digital art director in branding The Tonight Show's BONK! app. I was the first design intern to ever join this team, so I created a basic style guide to help future interns adjust faster.

Asian American Studies Program Sept '14–May '17
Graphic Designer

Designed campus flyers and annual reports, updated websites in Wordpress, and occasionally provided photography and videography. *Worked on and off between summer internships.*

Freelance Work June '13–present

Sethmaker Shoemeyers Productions / Stylus Literary Magazine / Strong & Beautiful Me / Kaigo Health

Providing a wide range of work including: web design & development, branding, logo design, promotional graphics, and print collateral.

about

Visual designer that is passionate about digital, branding, and product design. Other interests include tech, media, and entertainment.

education

University of Maryland May 2017
College Park, MD
