experience

NBCUniversal July '17–present
Digital Designer

*Saturday Night Live / Late Night with Seth Meyers /
The Tonight Show Starring Jimmy Fallon*

- Using color, typography, iconography, and texture to create brand guidelines for clean digital experiences across all three Late Night properties.
- Collaborating with UX and motion designers, illustrators, video editors, engineers, and marketing managers to promote shows and products.
- Managing junior designers and interns by delegating projects and providing feedback.

NBCUniversal June '16–Aug '16
Digital Design Intern

*Saturday Night Live / Late Night with Seth Meyers /
The Tonight Show Starring Jimmy Fallon*

Designed templates for social platforms to create a cohesive digital presence. Worked closely with a digital art director in branding The Tonight Show's BONK! app. Created a basic style guide to ease the onboarding process for new interns.

Asian American Studies Program Sept '14–May '17
Graphic Designer

Designed campus flyers and annual reports, updated websites in Wordpress, and occasionally provided photography and videography. *Worked on and off between summer internships.*

Freelance Work June '13–present

*Sethmaker Shoemeyers Productions / Stylus Literary
Magazine / Strong & Beautiful Me / Kaigo Health*

Providing a wide range of work including: web design & development, branding, logo design, promotional graphics, and print collateral.
