experience

NBCUniversal   July '17–present
Digital Designer

*Saturday Night Live / Late Night with Seth Meyers /
A Little Late with Lilly Singh / The Tonight Show*

- Establishing visual style guides and design templates for a more efficient workflow that ensures cohesive content across all four Late Night shows.
- Collaborating with video editors, illustrators, UX and motion designers, and marketing managers to promote shows and products on social.
- Visualizing sub-brand identities for podcasts and digital exclusives.
- Managing junior designers and interns by delegating projects and providing mentorship.

NBCUniversal   June '16–Aug '16
Digital Design Intern

*Saturday Night Live / Late Night with Seth Meyers /
The Tonight Show*

Designed templates for social platforms to create a cohesive digital presence. Worked closely with a digital art director in branding The Tonight Show's BONK! app. Created a guide and organized resources to ease the onboarding process for new interns.

Asian American Studies Program   Sept '14–May '17
Graphic Designer

Designed and illustrated campus flyers and annual reports, updated websites in WordPress, and occasionally provided photography and videography. *Worked on and off between summer internships.*

Freelance Work   June '13–present

Sony Pictures Television, Sethmaker Shoemeyers Productions / Stylus Literary Magazine / Kaigo Health

Providing a wide range of work including: web design & development, branding, logo design, promotional graphics, and print collateral.
